

COACHING WITH KERRY

~ At A Glance

A PERSONAL HORSE-HUMAN DEVELOPMENT EXPERIENCE

YOU. YOUR HORSE. YOUR RELATIONSHIP. YOUR QUESTION.

Presented by
Kerry M. Thomas

Founder, Herd Dynamic Profiling &
Sensory Soundness

LIMITED TO FOUR HORSE-HUMAN
PARTNERSHIPS PER DAY

YOUR HORSE IS WHERE WE BEGIN

No two horses experience the world in exactly the same way.

They do not share identical sensory strengths, emotional resources, stress thresholds, environmental associations, learning patterns, or Herd Dynamic tendencies.

And no two horse-human relationships are exactly alike.

**SO WHY SHOULD
EVERY HORSE BEGIN
WITH THE SAME
LESSON?**

THE PROGRAM IS BUILT AROUND YOUR HORSE

Coaching With Kerry is created around the individual partnership, not a predetermined training program.

From the novice horse owner seeking greater confidence to the professional pursuing another level of performance, the starting point remains the same:

WHO IS THIS HORSE?

And from there, we explore the questions that matter to you and your horse.

THIS IS NOT AN ORDINARY CLINIC

Coaching With Kerry does not begin when you enter the arena. And it does not end when you leave it.

◆ BEFORE ◆

Kerry begins studying the horse.

◆ TOGETHER ◆

The experience develops around what the horse communicates and what you hope to understand.

◆ FORWARD ◆

Kerry continues the evaluation and creates your personalized Trail Guide & Field Companion.

YOUR EXPERIENCE IS AN INDIVIDUAL CASE.
NOT A PLACE ON A CLINIC SCHEDULE.

BEFORE

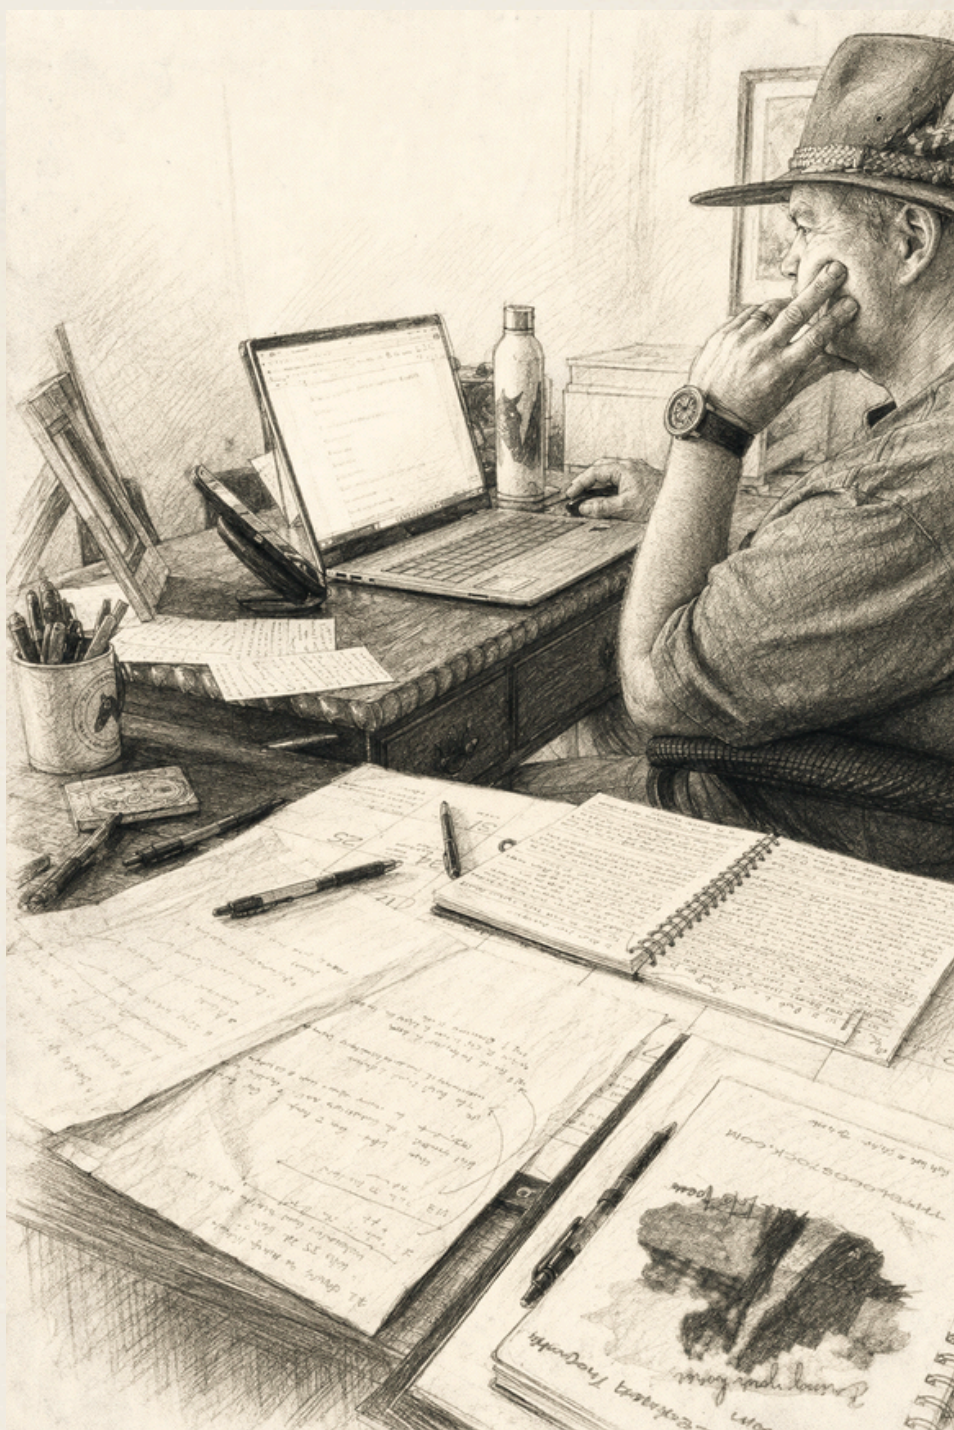

YOUR EXPERIENCE BEGINS BEFORE WE MEET

Kerry reviews submitted information and relevant video to begin developing an understanding of the individual horse and partnership.

KERRY READS THE HORSE.

Behavior, psychosensory
processing, Herd Dynamic
tendencies, emotional
organization, and what is
happening between the ears.

THE COACHING PARTNER READS THE RIDE.

Timing, feel, rhythm, line,
positioning, intention, and
physical communication.

TOGETHER, WE HELP YOU UNDERSTAND THE RELATIONSHIP.

Two professional perspectives.
One individual horse-human partnership.

FORWARD

THE WORK CONTINUES

The live experience creates information. Studying that information afterward creates another level of understanding.

YOUR TRAIL GUIDE & FIELD COMPANION

A written profile with observations, recommendations, and practical direction created specifically for your horse and partnership.

It isn't a list of everything that needs fixing.

IT IS YOUR ROADMAP FORWARD.

FOUR PARTNERSHIPS. ONE DAY.

DEPTH REQUIRES TIME.

Each Coaching With Kerry day is intentionally limited to four horse-human partnerships.

PERSONALIZED RECOMMENDATIONS

*"We don't measure the day by how many horses we can see.
We measure it by how much understanding we can create around each one"*

ALL BREEDS. ALL DISCIPLINES. ALL LEVELS.

HORSE FIRST. DISCIPLINE SECOND.
