

Coaching *With Kerry*...

Coaching with Kerry Clinics! Get one-to-one evaluation and lessons! Get the advantage of Kerry's internationally renowned work in behavioral genetics, sensory efficiency, mind-to-body fluency and human to horse compatibility markers. Indoor, outdoor, cross-country. Training sessions to competitive analysis. Up your game, strengthen your relationship, learn to synchronize with your horse where their action is harmonized through your intention. Decide where you want to go, and I will help you get there!

All clinic sessions are filmed for detailed assessment following the clinic where upon completion you will receive evaluation notes, recommendations, and session review in-person or via zoom, with Kerry!
